

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Dear Sir or Madam: To the FCC, I live in a small west Texas town. The present cable company has raised their rates 4 times in the last year. I would like to change to satellite TV. I cannot receive any local stations in my area, thus I cannot receive any local warning of any type of danger. I do not mind paying taxes, because I know the money must come from somewhere to help our country, but doesn't some of my money go to help protect me from different dangers? Please allow the satellite systems to provide local broadcast in my area. Thank you, Carol Dakan, Colorado City, TX 79512

Sincerely,

Carol Dakan
